

# Make Your Own Peter Picnic Party Bunting

## INSTRUCTIONS

*To be done by an adult*

1. Have your little bunny colour in the bunting.
2. Cut along the dotted lines around the triangles
3. Get some string and attach the triangles along it at intervals (you can attach the bunting by carefully punching two holes in each triangle and threading through, or use mini wooden pegs)
4. String up the bunting outside where you're holding your Peter Picnic Party for your little bunny!
